About Cannae Holdings, Inc.
Cannae is a diversified holding company that provides shareholders a unique opportunity to generate returns through owning a portfolio of operating businesses. The Company is transitioning its portfolio to focus on sports and entertainment-related assets, with the goal of building a more concentrated and synergistic portfolio designed to generate long-term investment returns and stock price appreciation for shareholders. We believe Cannae’s permanent capital base, long-term ownership and active involvement in the management and operations of our companies help maximize the value of those businesses for our shareholders.

Cannae primarily acquires interests in operating companies and is actively engaged in managing and operating a core group of those companies. We believe that our long-term ownership and active involvement in the management and operations of companies helps maximize the value of those businesses for shareholders. We are a long-term owner that secures control and governance rights of other companies primarily to engage in their lines of business, and we have no preset time constraints dictating when we sell or dispose of our businesses. For more information, see the Company’s website at www.cannaeholdings.com.
