

FNFV Announces Three-Year 10 Million Share Repurchase Program

November 6, 2014

Jacksonville, Fla. -- (November 6, 2014) - Fidelity National Financial Ventures (NYSE:FNFV), a tracking stock established to highlight the inherent value of the portfolio companies of Fidelity National Financial, Inc. ("FNF"), today announced that the FNF Board of Directors has approved a three-year FNFV stock repurchase program, effective November 6, 2014, under which FNFV may repurchase up to 10 million shares of its common stock. Purchases may be made from time to time in the open market at prevailing prices or in privately negotiated transactions through November 30, 2017.

About FNF

Fidelity National Financial, Inc., is organized into two groups, FNF Core (NYSE:FNF) and FNF Ventures. FNF Core is a leading provider of title insurance, technology and transaction services to the real estate and mortgage industries. FNF is the nation's largest title insurance company through its title insurance underwriters - Fidelity National Title, Chicago Title, Commonwealth Land Title, Alamo Title and National Title of New York - that collectively issue more title insurance policies than any other title company in the United States. FNF also provides industry-leading mortgage technology solutions and transaction services, including MSP®, the leading residential mortgage servicing technology platform in the U.S., through its majority-owned subsidiaries, Black Knight Financial Services, LLC and ServiceLink Holdings, LLC. In addition, through FNFV we own majority and minority equity investment stakes in a number of entities, including American Blue Ribbon Holdings, LLC, J.Alexander's, LLC, Remy International, Inc., Ceridian HCM, Inc., Comdata Inc. and Digital Insurance, Inc. More information about FNF can be found at www.fnf.com.

Forward-Looking Statements

This press release contains forward-looking statements that involve a number of risks and uncertainties. Statements that are not historical facts, including statements regarding our expectations, hopes, intentions or strategies regarding the future are forward-looking statements. Forward-looking statements are based on management's beliefs, as well as assumptions made by, and information currently available to, management. Because such statements are based on expectations as to future financial and operating results and are not statements of fact, actual results may differ materially from those projected. We undertake no obligation to update any forward-looking statements, whether as a result of new information, future events or otherwise. The risks and uncertainties which forward-looking statements are subject to include, but are not limited to: changes in general economic, business and political conditions, including changes in the financial markets; weakness or adverse changes in the level of real estate activity, which may be caused by, among other things, high or increasing interest rates, a limited supply of mortgage funding or a weak U. S. economy; our potential inability to find suitable acquisition candidates, acquisitions in lines of business that will not necessarily be limited to our traditional areas of focus, or difficulties in integrating acquisitions; our dependence on distributions from our title insurance underwriters as a main source of cash flow; significant competition that our operating subsidiaries face; compliance with extensive government regulation of our operating subsidiaries; and other risks detailed in the "Statement Regarding Forward-Looking Information," "Risk Factors" and other sections of the Company's Form 10-K and other filings with the Securities and Exchange Commission.
