

## Cannae Holdings, Inc. Announces Three Year, 10 Million Share Repurchase Program

March 1, 2021

LAS VEGAS--(BUSINESS WIRE)--Mar. 1, 2021-- Cannae Holdings, Inc. (NYSE:CNNE) ("Cannae" or the "Company") today announced that its Board of Directors has authorized a three-year stock repurchase program, effective February 26, 2021, under which the Company may repurchase up to 10 million shares of its common stock. Purchases may be made from time to time in the open market at prevailing prices or in privately negotiated transactions through February 26, 2024. The repurchase program does not obligate the Company to acquire any specific number of shares and may be suspended or terminated at any time.

William P. Foley, II, Chairman of Cannae, commented, "Recent discussions with key investors reinforced my belief that Cannae stock is significantly undervalued. In fact, it's trading well below book value despite the recent impressive investments by Cannae, as outlined in our most recent report to shareholders. Repurchases around these price levels actually increase book value per share."
