## Human and Labor Rights Policy Statement

### Introduction

Cannae Holdings, Inc. (“Cannae”) proudly supports human rights. As such, Cannae is committed to the principle that all of its employees should work in a respectful environment regardless of race, color, creed, religion, age, sex/gender, pregnancy, national origin or ancestry, citizenship status, veteran status, marital status, physical or mental disability, sexual orientation, gender identity or expression, (including transgender status), genetic information and/or any other characteristics protected by applicable federal, state or local laws. The most important of our five corporate principles is “Highest Standard of Conduct.” Every Cannae employee is expected to maintain the highest standard of business conduct and ethics in every aspect of our business. To achieve this objective, we are each responsible for behaving in a manner that reflects positively on both our personal reputation and the reputation of our Company. This includes how we treat our employees, how our employees treat each other, and the manner in which we, collectively, engage with the community.

### Human Rights Principles

At Cannae, we are committed to the following Human Rights principles:

- Recognizing human rights in all parts of the world and opposing discrimination on the basis of race, color, creed, religion, age, sex/gender, pregnancy, national origin or ancestry, citizenship status, veteran status, marital status, physical or mental disability, sexual orientation, gender identity or expression (including transgender status), genetic information and/or any other characteristic protected by applicable federal, state or local laws.
- Banning the practice of recruiting children and exploiting child labor, as well as ceasing partnership with any third party involved in such practices.

### Human Rights Strategy

Cannae is committed to making a positive impact on the people and communities in which we work. Cannae’s commitment to fair, ethical, and responsible business practices, as we engage with our employees, clients, third parties and communities around the world, is embodied in this statement along with our internal policies and practices such as those listed below:

## Code of Business Conduct and Ethics

Cannae is committed to maintaining the highest legal and ethical standards in every aspect of our business. Our Code of Business Conduct and Ethics is intended to provide information, support, and resources to ensure that we act ethically and in compliance with the laws and regulations that affect our business. Adherence to this Code is vital for Cannae to continue to preserve its reputation for honesty and strong ethical standards.

The Cannae Chief Accounting Officer is responsible for the administration of the Code of Business Conduct and Ethics under the direction of the Audit Committee of the Cannae Board of Directors.

## Forced and Child Labor

Cannae's operations do not permit the use of forced labor, including slavery, human trafficking and child labor. We are committed to cease involvement with any party that allows such practice. Employment must be freely chosen by workers, without threat or penalty of any sort.

## Fair Compensation and Pay Transparency

Cannae fairly compensates its employees, in compliance with relevant legislation and legally mandated work hours and overtime compensation. Cannae maintains a robust employee benefits program designed to protect eligible employees from financial hardship due to unexpected illness or injury and enable employees to provide for the health and financial security of their families. Cannae also provides paid leave for a variety of reasons including vacation and illness, and for civic obligations such as voting and volunteerism.

Cannae will not discharge or in any other manner discriminate against employees or applicants because they have inquired about, discussed, or disclosed their own pay or the pay of another employee or applicant. Cannae's Pay Transparency Policy Statement, along with more detailed benefits information, is contained within its Employee Handbook.

## Americans with Disabilities Act

Cannae is committed to fully complying with Titles I and III of the Americans with Disabilities Act ("ADA"). As part of this commitment, Cannae (i) provides to qualified individuals with disabilities the equal opportunity to benefit from the full range of employment-related opportunities available to others; and (ii) accommodates physical or mental limitations of qualified individuals of which Cannae is aware unless such accommodation results in an undue hardship to Cannae. Our commitment to ADA compliance is documented in Cannae's Employee Handbook.

## Diversity & Inclusion

Cannae is committed to ensuring all employees feel welcome, respected, and included. Our organization is committed to providing equal opportunity for all employees at all levels regardless of race, color, creed, religion, age, sex/gender, pregnancy, national origin or ancestry, citizenship status, veteran status, marital status, physical or mental disability, sexual orientation, gender identity or expression (including transgender status), genetic information and/or any other characteristic protected by applicable federal, state or local laws.
